

## NCJFA / PORTAGE PARK COUGARS

We represent the Northwest Chicago Junior Football Association (N.C.J.F.A.) / Portage Park Cougars, a 501(c)3 non-profit organization. The N.C.J.F.A is a youth football organization, based out of Portage Park, that was established to promote the wholesome development of youth through their association with adult leaders in the sport of American football.

We are soliciting donations to ensure a successful and enjoyable season. We are currently focusing our attention on replacing outdated equipment and playing field improvements. If your business is interested in donating to this project we would greatly appreciate your input. All donations would be recognized as donated from your establishment in our printed program distributed at the banquet, as well as on our website.

These donations are tax deductible and will be used for the sole purpose and benefit of the players registered in the football program. If you have any questions you may contact the board at 773-894-7760, or via email at [info@portageparkcougars.com](mailto:info@portageparkcougars.com). Thank you in advance for your consideration and support.

Sincerely,  
The N.C.J.F.A. Executive Board of Directors
